

Chemistry 001 Application

This application should be completed only if your science background is inadequate for Chemistry 101 (refer to the Chemistry Department section of the Handbook). Incomplete applications will result in a delayed decision. You should use Penn-In-Touch after August 15 to see if you have been given a permit for Chemistry 001. If you have, you should sign up for lecture, a recitation, and a lab. (See the Freshman Timetable.)

Below list all courses in chemistry, calculus and physics, which you took in high school. Give the name of each course, the grade received, and the length of the course (i.e. 1/2 year, 1 year).

	9 th Grade	10 th Grade	11 th Grade	12 th Grade
Chemistry				
Calculus				
Physics				

If, you have previously taken or are currently taking any college-or university-level courses in chemistry, calculus, or physics, list these below. Indicate the name of the course, at what institution it was taken, when it was taken (fall 2001, etc.) and grade received.

	Course Name	Where taken	Date Taken	Grade Rec'd
Chemistry				
Calculus				
Physics				

If, you have taken or plan to take the Advanced Placement tests in chemistry, mathematics or physics, list these here.
