

The Eighty-Second Edgar Fahs Smith Memorial Lecture
at the University of Pennsylvania

*A Tale of Three Equations:
Thermodynamics and Molecular Correlations*

Benjamin Widom

Department of Chemistry and Chemical Biology
Cornell University

Thursday, March 19, 2015

6:00 PM

Carolyn Hoff Lynch Lecture Hall

Reception 5:00 PM in Nobel Hall of Fame

*University of Pennsylvania
Department of Chemistry
34th and Spruce Streets
Philadelphia, PA 19104-6323*

For more information on Professor Widom, please see:
<http://chemistry.cornell.edu/faculty/detail.cfm?netid=bw24>

*Lecture jointly sponsored by the Philadelphia
Section of the American Chemical Society
and the University of Pennsylvania
Department of Chemistry*
