

The Ralph & Lucy Hirschmann Visiting Professor

AT THE UNIVERSITY OF PENNSYLVANIA

Professor Chad A. Mirkin

Northwestern University

*I. Colloidal Crystal Engineering with DNA:
Creating a Genetic Code for Materials Design*

Tuesday, April 10, 2018

4:00 PM (Reception following)

*II. Spherical Nucleic Acids: Empowering the
Digital Drug Design Revolution*

Wednesday, April 11, 2018

1:00 PM

*III. Expanding the Materials Genome with
Nanocombinatorics*

Friday, April 13, 2018

12:00 PM

All lectures in the Carolyn Hoff Lynch Lecture Hall

Prof Mirkin Office Hours: TBD

Department of Chemistry
University of Pennsylvania
231 South 34th Street
Philadelphia, PA 19104-6323
