
Special Biological Chemistry Seminar
at the
University of Pennsylvania

*Towards a Comprehensive
Understanding of Cellular Metabolism*

Prof. Joshua D. Rabinowitz

*Department of Chemistry
Lewis-Sigler Institute for Integrative Genomics
Princeton University*

*Carolyn Hoff Lynch Lecture Hall
Chemistry Complex
231 South 34th Street*

Thursday, March 13, 2014
10:30 AM

For more information on Prof. Rabinowitz, please visit:
